Cotter Koopman

—is a multidisciplinary designer, programmer, and music maker who loves to communicate in resonant ways.

used as a &

**Adobe InDesign
+ Illustrator
+ Photoshop**

Figma

Squarespace

Wordpress

Trello

Senior Creative Executive, Design
PREV: Associate Creative Executive ← Graphic Designer ← Design Intern

@ Kynda MAY '18 – PRESENT

I supervise and create a wide variety of print and digital pieces for 50+ clients across industries to communicate effectively through their brand. This includes laying out informational materials from brochures to signage, developing brand identities, and designing responsive websites.

Python

SQL

Qualtrics

Project Software Developer
@ DataWise Consulting LLC MAY '18 – SEP '18

I developed and tested an in-progress Python library that pulls survey data from Qualtrics and transforms it into a multi-table relational database for analysis and use in data visualization.

**Adobe InDesign
+ Photoshop**

Head Layout Editor
@ Dialogue Creative Arts Journal AUG '17 – MAY '18

I helped curate Calvin University's creative arts, writing, and media journal by designing semesterly publication of student work, unifying disparate artwork in line with the Editor in Chief's vision.

GoLang

React.js

Development Intern, NextGen Team
@ CQL MAY '17 – AUG '17

I developed, maintained, and optimized a project management dashboard tool, building collaboratively with several contributors and communicating expectations and progress with a client.

**HTML
+ CSS
+ JS**

dotCMS

Web Production Assistant
@ Calvin University Communications & Marketing SEP '16 – MAY '17

I assisted in design, creation, migration, and maintenance of web pages across calvin.edu

Personal Projects
@ cotterkoopman.com
ONGOING

I like crafting with generative tools, and I'm interested in the experience and results of sharing control between systemized and manual work, combining what computers do well *(like working with data, following rules, and repeating quickly)* with mediums that people find substantial *(like graphic design, music, textiles, and storytelling)*. I use:

Processing, Java library

d3.js

**HTML
+ CSS
+ JS**

Github

**Adobe InDesign
+ Illustrator**

Google Sheets

Bachelors Degree in Computer Science
@ Calvin University

With elective concentrations in graphic design and computer graphics.
